WORK EXPERIENCE

Ptech Hub LLC

Web Developer

Jan 2023 - Present

At PTech Hub LLC, I have been instrumental in developing and enhancing web solutions, focusing on creating intuitive and visually appealing user interfaces. My role involves collaborating with cross-functional teams to implement innovative features, ensuring high performance and responsiveness across various devices. I am committed to continuous learning and improvement, striving to stay at the forefront of front-end development trends and technologies.

Olive Pro Dreams

Web Developer

Apr 2024 - Present

In my role at Olive Pro Dream, I specialize in building and optimizing e-commerce platforms using WordPress and Shopify. I work on designing, developing, and maintaining websites that offer seamless shopping experiences. My responsibilities include customizing themes, integrating plugins, and ensuring the overall functionality and aesthetics of online stores. Through my work, I aim to enhance user engagement and drive business growth.
